A Brief Overview of Activities and Gaps

PAPYRUS

PREVENTION OF YOUNG SUICIDE

ATAL HUNANLADDIAD IFANC

Prevention

- Working with institutions (education, health, statutory services)
- Voluntary sector and non-institutional (youth work)
- Training, advice, policy, community volunteering
- Changing the culture of Wales - awareness and upskilling
- Responsive to Welsh needs
- Assuming it will happen, not if it happens

Intervention

- Dedicated services for young people and those who support them
- Free, confidential
- HOPELINE UK and intervention
- 24 hr provision
- Professionals having the skills and confidence to intervene themselves

Postvention

- Responses to suicide – inc. organisational, clusters
- Support for those affected (postvention is prevention)
- Media / social media
- Support for those who self-harm / those who support them
- Review of processes / physical environment

- Community-led work
- Co-ordination / partnership
- More targeted responses
- Reaching all communities
- Overlap of SH & SP
- YPs not accessing services?
- Welsh medium provision
